

Money

The Sonics

You know the best things in life are free
But you can give them to the birds and bees

I need money

That's what I want

Oh yeah, yeah

That's what I...

That's what I want

Oh, lots of things are gonna cure your ills
But only one thing's gonna pay my bills

And that's money, yeah

Yeah, that's what I want

Uh-huh, that's what I want

Wow!

Money isn't everything

It's true

But what it can't buy

I'll never use

I need money

Yeah, yeah

That's what I want

Stomp, shout, work it on out, yeah

That's what I want

Wow!

Give me money

That's what I want

That's what I want

That's what I want

That's what I...

That's what I want

Wow!
