

# Ghost (The Voice Performance)

Barrett Baber

I keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awakeMy friends I can figure out  
You're the soul that's inside of you  
It's rock hard in another you  
But your evil was coming throughThese eyes sitting on the wall  
Well they watch every move I make  
Bright light taking in the shape  
You go hard, makes my spirit shakeI had to go through hell to prove I'm not insane  
Had to meet the devil just to know his nameAnd that's when my love was burning  
Yeah it's still burningI keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awakeI keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awakeEach time that I think you go  
I turn around and you're creeping in  
And I let you another skin  
'Cause I love living in the sinOh you never told me  
True love was gonna hurt  
True pain, it's own desert  
True face that I never learnedI keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awakeI keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you

It keeps me awake Give up the ghost  
Give up the ghost  
Give up the ghost  
Stall the haunting baby Give up the ghost  
Give up the ghost  
Give up the ghost  
No more haunting baby I keep going to the river I keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awake I keep going to the river to pray  
'Cause I need something that can wash out the pain  
And at most  
I'm sleeping all these demons away  
But your ghost, the ghost of you  
It keeps me awake
