

# Funny (But I Still Love You)

[Ray Charles](#)

My dear sweetheart, I'm writing you  
Just a few lines to tell you that I'm low  
Oh baby, my baby  
Funny, but I still love you You went away, didn't say goodbye  
But I still love you, Lord, I wonder why  
Oh baby, my baby  
Funny, but I still love you I don't know, who was right or who was wrong  
All I know as I am so tired, so tired of being alone  
But if you care, like I care  
Catch the next [Incomprehensible] bring your self back here  
Oh baby, my baby  
Funny, but I still love you I miss your lovin'  
You know what I mean  
Remember how you used to make me scream  
Oh baby, my baby  
It's funny, but I still love you
