

Forty and Above

The Briefs

I was 18 she was 45
I met her in some sleazy dive
I bought her a drink, she bought me five
She tells me that she lives nearby
She has this (?) look in her eyes
I say ok, let's go there now Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, oh please, oh yeah
(I'm in love with the forty and above) She tells me that she has a friend
And that she's into younger men
I say ok, let's call her then Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, oh please, oh yeah
(I'm in love with the forty and above)
