When I

Ciara

Hey sexy
When I looked at you, you took my breathe away
So sexy
I don't mind if you come through, invade my space
I'm ready
It doesn't matter what you want, don't wanna do to me
You been playin', drop a bottle on this opportunity
I'm not gon' sit here sayin' what you should
When I'm lookin' up you all
I see my future, baby, don't even no your name
I see kids, I see bliss, I see operation kiss
On the Eiffel Tower after askin' me to marry ya
When I, when I, when I look in your eyes
When I, when I, when I look in your eyes
When I, when I, when I, when I
When I, when I, when I, when I, when I
I'm tryna find the words to say to you
Speechless, speechless
'Cause I never been on missin', this is new
I always been sure
So sugar, don't you think I don't want you to miss out?
Your eyes are like a crystal ball, I can tell it all
Do you believe in love at first sight just [Incomprehensible]
And face future hand in hand
But wait, what's your name?
I see kids, I see bliss, I see operation kiss
On the Eiffel Tower after askin' me to marry ya
When I, when I, when I look in your eyes
When I, when I, when I look in your eyes
When I, when I, when I, when I
When I, when I, when I, when I, when I
When I, when I, when I
I see kids, I see bliss, I see operation kiss
On the Eiffel Tower after askin' me to marry ya
When I, when I, when I look in your eyes
When I, when I, when I look in your eyes
When I, when I, when I, when I
When I, when I, when I, when I, when I
When I look in your eyes

I see everything, kids, bliss
I see kids, I see bliss, I see operation kiss
On the Eiffel tower after asking me to marry ya
When I, when I, when I look in your eyes
When I, when I, when I look in your eyes
When I, when I, when I, when I
When I, when I, when I, when I
