Swoon (Acoustic)

Rising Appalachia and the Human Experience

Dip me in chocolate sauce, and then lick off all my toes
Hang me in marmalade, your mama ain't got to know
Stay here in bed with me 'til way past afternoon
Drape me in jasmine vines in this crescent city swoon
I got the flavor baby, you just give me the time
Ain't no misbehaving, I've got your best interest in mind
I got the flavor baby, you just give me the time
Ain't no misbehaving, I've got your best interest in mind
Drink me down in one long drop and then taste me the whole way down
I don't know what it is about me, I just know that I love this sound
Cherry pie, my sugar sweet- that's how they know my name
Wont you come around my kitchen baby, ain't nothin' gonna be the same
I got the flavor baby, you just give me the time
Ain't no misbehaving, I've got your best interest in mind
I got the flavor baby, you just give me the time
Ain't no misbehaving, I've got your best interest in mind
