

The Sound of Music

Bonzo Dog Band

Life's like that, isn't it.

Only the other day, I was walking in the West End,

When suddenly I was set upon by hordes of fans and admirers who wanted to touch my toes.

So I took sanctuary in a nearby cinema, normally,

Of course, I don't go in, but that day I saw something that really moved me.

I'd like to share this wonderful experience with you

It's called "The Sound Of Music". The hills are alive with the sound of music

With songs they have sung for a thousand years

The hills fill my heart with the sound of music

My heart wants to sing every song it hears
