

# The Last Shot Ringing in My Ears

## Snow Patrol

Take her home  
Take her past this evening  
I'm not sure  
Sure if I believe you You carry a gun for fun  
You use it twice as easy  
I'm sure she is  
She is someone's daughter I couldn't even feel that  
It was wrapped around my head I'm coming down  
Coming down the next day  
She was beautiful  
The prettiest girl I've ever seen I saw everything  
Things I hoped I'd never see  
She got away from him  
And got on a plane this morning I couldn't even feel like  
It was wrapped around my head  
I couldn't even feel like  
It was wrapped around my head [Incomprehensible] I am not sure what she's done  
But don't even wanna think about it  
She made me answer this  
But instead I remember now I didn't even feel like it was  
Wrapped around my head [Incomprehensible]  
...
