

People

Biffy Clyro

I didn't mean to hurt you
I didn't mean to make you cry
But after all we've been through
I didn't think that we'd survive Why do we plead and protest?
Why?

It's beyond our purpose Light illuminates darkness
All of our sadness provides us a home
Oh I said I'm gonna make you, completely reshape you
Make you my own I didn't mean to curse you
Or make you sacrifice
Your patience, it's a virtue
But time, it is my vice Why do we plead and protest?
Why?

It's beyond our purpose Light illuminates darkness
All of our sadness provides us a home
Oh I said I'm gonna make you, completely reshape you
Make you my own Oh home is a place I don't belong
'Cause I'm a man that you should never love
And my words are like a bomb
I have the cruelest mouth
I have the cruelest mouth
I have the cruelest mouth
I have the cruelest mouth
And a sick little tongue, ah ah ah Ah
