Promises

Open Heaven

Verse 1
When I find myself on shifting sand
You set me up on solid rock again
You won't let me fall, won't let me slip
And when I feel like I just can't, remind me who I amPrechorus:
I can stand tall today
Because through it all, I sayChorus:
My hope, my strength,
My confidence is in your name
My hope, my strength
My confidence is Your promises
Yeah yeah yeah yeah!
It's in Your promises
Yeah yeah yeah yeah!
It's in Your promisesVerse 2
You take me past the possibilities
You take me past the shore into the deep
Even in the hard and hopeless things
You're the God of victory, yeah, victory
