

# Some Kind of Heaven

## Hurts

I am ready for the rapture  
I am reaching for the light  
But my heart screams hallelujah  
When I hear your battle cry(yeah, yeah)  
I know we're so young  
But I swear you're the one for me  
(yeah, yeah)  
I knew it right from the start You're some kind of heaven  
That's all that I need  
I found it in you  
I found it in you  
You're some kind of heaven  
That's all that I need  
I found it in you  
Too good to be true  
You've got me singing baby Do-do-do-do-do  
Do-do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do I don't need a god to tell me that I'm wrong  
I don't need hell to make me scared of love  
I don't need a symphony to sing my song  
'Cause there's a choir of angels deep inside my lungs  
And I can hear them sing(yeah, yeah)  
Can you hear them sing?  
(yeah, yeah)  
I knew it right from the start You're some kind of heaven  
That's all that I need  
I found it in you  
I found it in you  
You're some kind of heaven  
That's all that I need  
I found it in you  
Too good to be true  
You've got me singing baby Do-do-do-do-do  
Do-do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-do  
You've got me singing baby  
Do-do-do-do-do

Do-do-do-do-do-do  
Do-do-do-do-do  
Do-do-do-do-doI know when we're together  
My setting sun will shine  
Let's spend this night together  
Let me make you mineI know when we're together  
My setting sun will shine  
Let's spend this night together  
Let me make you mineIt's some kind of, it's some kind of, it's some kind of  
It's some kind of heaven  
I knew it right from the startYou're some kind of heaven  
That's all that I need  
I found it in you  
I found it in you  
You're some kind of heaven  
That's all that I need  
I found it in you  
Too good to be true  
You've got me singing baby(yeah, yeah)  
Oh my love, oh my love  
(yeah, yeah)  
Oh my love  
YeahSome kind of heaven  
It's some kind of, it's some kind of, it's some kind of  
It's some kind of heaven
