Little Bump

Fink

Little bump every now and then can't hurt
Little bump every now and then
I don't care if it's 120, there's
Plenty more to come
Little bump every now and then
Can't hurtLittle bump every now and then can't hurt
Little bump every now and then
I don't care if it's one too many, there's
Many more before I'm done
Little bump, little bump
Every now and then
Can't hurtAnd I say
God bless the stewardess
God bless the stewardess
God bless the stewardess
Tonight
God bless the stewardess
God bless the stewardess
God bless the stewardess
TonightEvery now
Can't hurtLittle bump every now and then can't hurt
Little bump every now and then
I don't care if it's too early
Coz it's never too late to start
Little bump every now and then
Can't hurt
Can't hurt
Little bump
Every now
Can't hurt
One more
One for the road
One for the luck
One for the road
One for the luck
