

# Hey Now

**Lesley Gore & Claus Ogerman**

Hey now, what you gonna do?  
Oh, are you gonna be mine tried and true?  
Hey, hey, hey now, give it to me straight  
Am I gonna be the one or just another date?Look a here, I gotta know quick  
Because I can't waste my time  
Just waitin' 'round your line  
When I can find another guySo hey, hey, hey now  
What you gonna say?  
Are you gonna go on  
Or are you gonna stay?  
Oh, look a here, oh I gotta go, dear  
Because I can't waste my time  
Just waitin' 'round your line  
When I can find another guySo hey, hey, hey now  
What you gonna say?  
Are you gonna go on  
Or are you gonna stay?I said hey, hey, hey now  
What you gonna say?  
Are you gonna go on  
Or are you gonna stay?  
Hey, hey, hey now  
What you gonna say?  
Are you gonna go on  
Or are you gonna stay?
