

# Comets

## Natalia Doco

By the meeting of the roads I just fell to my knees  
When I knew I had to make a choice  
It's a shame, you said, that I may never know  
How far I can sometimes go  
How far I can sometimes go While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say  
And you found all the footprints that I left in the lawn  
When I spied on you every, every, every night  
And I wish there was a secret that you said in your sleep,  
Just a word that I could keep  
Just a word that I could keep While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say And I wish I was a comet to crash at your feet  
Just to be remembered  
And I wish I was a comet to crash at your feet  
Just to be remembered  
While my boat is drifting away  
By the shore of Miami Bay  
I'm still trying to figure out  
The end of what I was starting to say I'm still trying to figure out  
The end of what I was starting to say
