

# Dippin'

## Dropping a Popped Locket

I'm living large, but what I want 'cause I'm in charge  
Dippin' [x11] when I want  
Dippin' [x11] when I want  
They're so outrageous, I want waffles, pancakes, and french toast  
Dippin' [x11] when I want  
Dippin' [x11] when I want
