My Only One

Amy Macdonald

After all the mistakes have been and gone
You're still standing here, standing strong
And I forgive all the wrongs that you have ever done
Cos' you're still the only oneThe apple of your mother's eye
Your life it passed your father by
I bet he wish he was there too
So much grace and poise yeah you're always right on cueAnd there were times
You know it's true
When the whole world
Was looking at you
They changed their mind from day to night
One minute you're wrong then the next thing you're right
God rest your soul
Keep standing tall my only oneThere's still a twinkle in your eye
Even after we say goodbye
You're always there in spirit and in mind
I'll be with you until the end of time
