The Ram

Manilla Road

Seven-eyed wonder
Mystery to man
Riding the thunder
On God's commandBeyond the mountains
Lost in the sand
The golden statue
Of The RamLook for the lost and you just might find
That the cost is your mind
Ride the Serpent and make your stand
Cast no doubt to The RamLost in confusion
Time slips away
Inside the illusion
Hear them sayFight fire with fire
Give hell to the damned
Long live desire
Long live The RamLook for the lost and you just might find
That the cost is your mind
Ride the Serpent and make your stand
Cast no doubt to The Ram
