

# The Ram

## Manilla Road

Seven-eyed wonder  
Mystery to man  
Riding the thunder  
On God's command Beyond the mountains  
Lost in the sand  
The golden statue  
Of The Ram Look for the lost and you just might find  
That the cost is your mind  
Ride the Serpent and make your stand  
Cast no doubt to The Ram Lost in confusion  
Time slips away  
Inside the illusion  
Hear them say Fight fire with fire  
Give hell to the damned  
Long live desire  
Long live The Ram Look for the lost and you just might find  
That the cost is your mind  
Ride the Serpent and make your stand  
Cast no doubt to The Ram
