

Another Song The Dj's hate

Itchy Poopzkid

Here's another song the dj's hate
Here's another song the dj's hate
Although this time I did quite a bit
I put hey and yeah and fuck in itDressed to kill but I'd rather stay home
I got my own world leave me alone
Don't pick on me, don't scream, don't shout
`cause my myspace friends will help me outI don't need no physical romance
When I got vitamins and I got oxygen
Well, not oxygen but something close
From bad breath I won't comatoseSo I write and guarantee
this song is just for meHere's another song the dj's hate
Here's another song the dj's hate
Although this time I did quite a bit
I put hey and yeah and fuck in itOh oh oh oh - did you just hear that?
I use it in the song so you'll remember it
My rhymes rhyme and to some degree
There's no one nowhere just like meThough I must admit I'm A bit of a JOKE
But cleaning up is dirty work
I got better things in life to do
I start a song and I make it throughSo I write and guarantee
this song is just for meHere's another song the dj's hate
Here's another song the dj's hate
Although this time I did quite a bit
I put hey and yeah and fuck in itI drink my liquor from an old fruit jar
Well, I stole that one but I play guitar...
