Heart Attack

Demi Lovato

Puttin my defenses up
Cause I dont wanna fall in love
If I ever did that
I think Id have a heart attackNever put my love out on the line
Never said yes to the right guy
Never had trouble getting what I want
But when it comes to you, Im never good enoughWhen I dont care
I can play em like a Ken doll
Wont wash my hair
Then make em bounce like a basketballBut you make me wanna act like a girl
Paint my nails and wear high heels
Yes you, make me so nervous
That I just cant hold your handYou make me glow, but I cover up
Wont let it show, so Im
Puttin my defenses up
Cause I dont wanna fall in love
If I ever did that
I think Id have a heart attack
I think Id have a heart attack
I think Id have a heart attackNever break a sweat for the other guys
When you come around, I get paralyzed
And every time I try to be myself
It comes out wrong like a cry for helpIts just not fair
Pains more trouble than love is worth
I gasp for air
It feels so good, but you know it hurtsBut you make me wanna act like a girl
Paint my nails and wear perfume
For you, make me so nervous
That I just cant hold your handYou make me glow, but I cover up
Wont let it show, so Im
Puttin my defenses up
Cause I dont wanna fall in love
If I ever did that
I think Id have a heart attack
I think Id have a heart attack
I think Id have a heart attackThe feelings are lost in my lungs
Theyre burning, Id rather be numb
And theres no one else to blame
So scared I take off and I run

Im flying too close to the sun
And Ill burst into flames (flames)You make me glow, but I cover up
Wont let it show, so Im
Puttin my defenses up
Cause I dont wanna fall in love
If I ever did that
I think Id have a heart attack
I think Id have a heart attack
I think Id have a heart attack
I think Id have a heart attack
I think Id have a heart attack
