

# It Only Took A Day

dredg

Think we know  
Oblivious though  
Unified clones  
Sit like stones  
Up on thrones  
Of fool's gold  
Looking bold

But all alone Restore our needed shelter Sitting sideways

Something deep  
Wading water  
Pants at my knees  
Fading with growth  
Lie awake  
Buried stones

All alone Restore our needed shelter

Our flawless endeavors

To be alone  
To be alone
