

Built to Fail, Motherfucker

The Arrogant Sons Of Bitches

And it's still freezing out.
I wanna tear down the walls.
I wanna make it summer.
Listen to Dillinger Four.
Go can your fucking emo.
You know I know we know that it's bullshit.
It's never been nothing more.
They'll turn their backs on you like you turned yours on me.
There's nothing you could ever say to make me change the things I play.
I happily accept the fact that nothing's ever gonna change.
Na na na na na
Na na na na na
Na na na na na
I'm going to fuck things up for everyone else.
Yeah. Yeah. Yeah. Yeah. Yeah. Yeah.
Life is unfair.
