

Closer

Glee Cast

Ryder:

All I want to get is a little bit closer
All I want to know is, can you come a little closer?

Ryder and Jake:

Here comes the breath before we get a little bit closer
Here comes the rush before we touch, come a little closer

Ryder:

The doors are open, the wind is really blowing

Ryder and Jake

The night sky is changing overhead

It's not just all physical

I'm the type who won't get oh so critical

So let's make things physical

I won't treat you like you're oh so typical

I won't treat you like you're oh so typical

Jake:

All you think of lately is getting underneath me
All I dream of lately is how to get you underneath me

Ryder and Jake

Here comes the heat before we meet a little bit closer
Here comes the spark before the dark, come a little closer

Jake:

The lights are off and the sun is finally setting
The night sky is changing overhead

Ryder and Jake:

It's not just all physical

I'm the type who won't get oh so critical

So let's make things physical

I won't treat you like you're oh so typical

I want you close, I want you

I won't treat you like you're typical

I want you close, I want you
I won't treat you like you're typical

Jake:

Here come the dreams of you and me
Here come the dreams
Here come the dreams of you and me
Here come the dreams

Ryder:

It's not just all physical
I'm the type who won't get oh so critical
So let's make things physical
I won't treat you like you're oh so typical

Ryder and Jake

I want you close, I want you
I won't treat you like you're typical
I want you close, I want you
I won't treat you like you're typical

I won't treat you like you're typical
I won't treat you like you're typical

Ryder:

All I want to get is a little bit closer
All I want to know is, can you come a little closer?
