

Remember I Was Vapour (Live 81)

Gary Numan

[Chorus]

There's nothing here but us
There's nothing here but us Remember, I was vapor
Remember, I was just like you
Remember, I was liquid
Remember, I was someone too Remember, I need others
Remember, I need oxygen
Remember, I need lovers
Remember, I need to forget [Chorus] Remember, I am human
Remember, I feel just like you
Remember, I had reasons
Remember, I had friends like you Remember, I grow tired
Remember, I could end all this
Remember, I have memories
Remember, I need to forget [Chorus]
