Champion

Oleander

Thanks
For everything you are
For everything you were
For always taking care
For always making sureFor never giving up
For never giving in
You are the championThanks
For everything you are
For everything you were
For always taking care
For always making sureFor never giving up
For never giving in
You are the championWhile your baby's laughin'
While your baby's cryin'
While your baby's losin'
Recklessly abusingYou never turned your back
You never walked away
You would only smile
Without words you'd say
Everything is fineIt'll all work out
And everything is okay
As long as I'm around
I will be your threadWhile your baby's laughin'
While your baby's cryin'
While your baby's losin'
Recklessly abusingYou never turned your back
You never walked away
You would only smile
Without words you'd say
Everything is fineIt'll all work out
And everything is okay
As long as I'm around
I will be your threadThanks
For never giving up
For never giving in
You are the champion
