

Heaven's Knife

[Josh Garrels](#)

Take my hand
I won't let go
We've waited so long
And all my life
I walked alone
To you, my heart, my home
Like the first man
I was cut so deep by heaven's knife
When I awoke from my sleep
Oh my Lord, she's beautiful
She's a part of me
She's my wife
Bound by love
One flesh to be
An unbroken ring
And I lay down
My life for thee
In this we are free
Like the first man
I was cut so deep by heaven's knife
When I awoke from my sleep
Oh my Lord, she's beautiful
Walking up to me
Oh she's wonderful, standing next to me
Oh she's all
All that I can see, yeah
She's beautiful, she's a part of me
She's my wife
