

Had Me @ Hello

Olivia Holt

I can feel you comin' from a mile away
My pulse stops racing from the words that you say
And you say so many of them like you don't have a clue
That I'm signed, sealed delivered with a stamp on
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say don't say good night you know
You had me @ hello, you had me @ hello, you had me @ hello
Don't say don't say good night you know
You had me @ hello Close your mouth now baby don't say a word
'Cause you ain't saying nothing
I ain't already heard
Plus all them words get buried when the beats so loud
And the speakers blowin' up to this dance song
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say don't say good night you know
You had me @ hello, you had me @ hello, you had me @ hello
Don't say don't say good night you know
You had me @ hello Oh oh oh oh, oh oh oh oh
Oh oh oh oh, oh oh oh oh
Oh oh oh oh You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So Hold, hold, hold, hold me tight now
I'm so, so good to go
Don't say don't say good night you know
You had me @ hello, you had me @ hello, you had me @ hello
Don't say don't say good night you know
You had me @ hello
