

Show Me The Way Back To Your Heart

Gloria Estefan

I remember days, nights were never cold
I had you in my life, I had you here to hold
And I remember love warm as a summer day
But I lost you and I lost my way
Now I'm in the rain begging you please, please

Baby, won't you show me the way back to your heart?
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your arms

Lead me back

Every night another lonely street I walk down alone
Searching for a light, your light to lead me home
Leave a candle in the window and let it shine for me
Take my hand and take these tears away
I can't take the pain, I'm on my knees, please

Baby, won't you show me the way back to your heart?
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your arms

Take my hand and take me in your arms
I'm out in the dark
Down on my knees, please

Show me the way back to your heart
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your arms, to your arms
