

# I Wonder (Feat. Obie)

Pitbull

Every time I see you, you're trying to take me home  
And it makes me wonder, if we were to get it on  
Would you take the time to touch me(touch me)  
And take me in to extacy yeah[Chorus: x2]  
And I wonder if I take you home  
Would you give me your love baby  
Would you fulfill my fantasy's  
Or would you just admit wrong (would you just admit wrong)Mommy what's up with you  
I just want to get to know you better  
Mommy you tight word  
And I know I can get you wetter  
I know you hear this a lot  
And I know you fed up  
I know life is hard, but you gotta keep your head up  
You got the real game, check  
Nail game, check  
Hair game, check  
Everything, check  
That's why I can't wait to slip off your clothes and lick you from head to toe  
And give you some of this fine head til you explode  
I want to make you cum til you can cum no more  
I want to see you girl, roll your toes  
I want to be the one to turn you out  
I'ma show you what I be about  
I'm not a hot boy, I'ma hot man  
That'll eat yo ass, til you say god damn  
Girl I love this  
And if you think you got some undefeated tyson pussy, bitch I'll bust a Douglas[Chorus: x2]I want to be that  
man, that you've, never had before  
I want to be that man, that'll put it on you fast and slow  
I want to be, everything that you need baby and more  
It would be no fun, if I told you everything that's in store  
You've got those body parts, I just want to explore  
Coma with me loco, ven paca mi amor  
You got my two boys, below my waistline, singing the blues  
Tell me baby, honestly, what is it exactly you got to lose  
Nothing there's always some time in the wall\*  
And now you know you want some more  
I'ma have you going crazy, praising the lord

I fuck like I rap, hardcore  
I'm not a hot boy, I'ma hot man  
That'll eat yo ass, til you say god damn  
Girl I love this  
And if you think you got some undefeated tyson pussy, bitch I'll bust a douglas[Chorus: x4]
