

# Stick To the Plan

## L7

Stick to the plan  
Stick to the plan, man  
Grasping at straws  
Now I'm grasping at strawsHe's a motivator  
He's got a wire inside  
A chronic masturbator  
With love in his eyesHe's a motivator  
He's got a wire inside  
The happy masturbator  
With love in his eyesStay on the high  
Stay on the high, sigh
