Been a Long Day

Advisory - the following lyrics contain explicit language:

It's been a long day
And all I've got to say is make it strong
It's been a long day
And all I've got to say is I've been wrongSo take a leave of absence
Tell me you'll be gone
I don't want to see your faceIt's been a long day
And I just wanna hide awayIt's been a long week
And all the lines come down heavy on me
Its been a long week
I'm finally feeling like its okay to breakInto a thousand pieces
No one can replace
Only I can find my wayIt's been a long day
And I just wanna hide awayIts been a long year
And everyone around me's disappeared
It's been a long year
And all this mess around me is finally clearSo can I have a moment
Just to say hello?
Can you let your anger go?It's been a long year
And I'm finally ready to be here
