

Been a Long Day

Advisory - the following lyrics contain explicit language:

It's been a long day
And all I've got to say is make it strong
It's been a long day
And all I've got to say is I've been wrong So take a leave of absence
Tell me you'll be gone
I don't want to see your face It's been a long day
And I just wanna hide away It's been a long week
And all the lines come down heavy on me
It's been a long week
I'm finally feeling like it's okay to break Into a thousand pieces
No one can replace
Only I can find my way It's been a long day
And I just wanna hide away It's been a long year
And everyone around me's disappeared
It's been a long year
And all this mess around me is finally clear So can I have a moment
Just to say hello?
Can you let your anger go? It's been a long year
And I'm finally ready to be here
