

# I'm Bad News

## Ida Maria

I'm bad news for you and your family  
Bad news for you and your family  
Bad news for you and your family And I know you think that I'm so cute  
You wanna take me home  
You wanna keep me in your living room  
And show me off to everyone you know Don't be fooled by these blue eyes baby  
Don't be fooled by these eyes You can keep on crying in the dark  
I don't care about your emotions  
I am going to break your heart  
There's plenty of fish in the ocean And I know your daddy's gonna love me  
Your brother's gonna love me  
But your momma's gonna hate me  
Your momma's gonna hate me 'cause Don't be fooled by these blue eyes baby  
Don't be fooled by these eyes  
Don't be tricked by these red lips baby  
Remember, always think twice You can keep on crying in the door  
I don't care about your emotions  
I am going to break your heart  
There's plenty of fish in the ocean I'm bad news for you and your family  
Bad news for you and your family  
Bad news for you and your family  
For you and your family  
(Bad news)  
(Bad news)  
For your dignity  
(Bad news)  
For your morality  
(Bad news)  
For your peace of mind  
(Bad news)  
For your hopes and dreams  
(Bad news)  
For your future  
(Bad news)  
For your friends and neighbors  
(Bad news)  
For all mankind You can keep on crying in the door  
I don't care about your emotions  
I am going to break your heart

There's plenty of fish in the ocean  
I'm gonna break your heart  
I'm gonna break your heart  
I only care about myself  
I don't care about anybody else  
I'm here to make your life miserable  
I'm here to make you cry  
Why? Why?  
Just because I'm bad news  
I'm really, really, really bad news
