

All in My Head

The Madison Letter

Is it something I said, something I said?
I can't go to bed forgetting you

Is it all in my head? All in my head, is it all in my head?

All of my love, all of my love, is it enough to get us through? Enough to get us through

And maybe there's nothing wrong
Maybe it's all just in my head
And I'm just overthinking, everything you're saying

It feels like the fire stopped burning and I'm stuck here walking a while with no support
Maybe it's all just in my head
Maybe there's nothing
Na na na na na
Na na na na na
Na na na na nothing wrong

Is it something I said? something I said
Or something I did or didn't do?
I don't know what it is, don't know what it is, I don't know what it is

I'm just afraid, yeah I'm just afraid cuz we got a love I don't wanna loose, I don't wanna lose

maybe there's nothing wrong
Maybe it's all just in my head
And I'm just overthinking, everything you're saying

It feels like the fire stopped burning and I'm stuck here walking a while with no support
And maybe it's all just in my head
And maybe there's nothing
Na na na na na
Na na na na na
Na na na na nothing wrong
Na na na na na
Na na na na nothing wrong

Maybe it's all just in my head
and I'm just overthinking everything you're saying

It feels like the fire stopped burning and I'm stuck here walking a while with no support

Maybe it's all just in my head

Maybe there's nothing

Na na na na na

Na na na na na

Na na na na nothing wrong

Na na na na na

Na na na na nothing wrong

Maybe it's all in my head

I'm tired for feeling this

Telling I'm just losing it

And Maybe it's all in my head

I'm tired of feeling this

Tell me I'm just losing it

And Maybe it's all in my head

I'm tired of feeling this

Tell me I'm just losing it
