

# Let Us Pray

**Bonnie & Jon Deuschle**

We are gathered here to touch forever,  
in a warfare that most often can't be seen.  
A battle not of flesh but of the spirit of the Lord,  
to see His kingdom come,  
to see His will be done.

Our mission is to overcome the darkness,  
and to join all heavens angels in the fight.  
Empowered by the Spirit of the awesome living God,  
if we stand in one accord,  
then the battle is the Lord's

Chorus:  
Let us pray  
to the God of all creation,  
Let us pray  
giving voice to what's unseen,  
Let us pray  
let our thunder pierce the darkness  
to rearrange the world around us for the Lord  
Let us pray.

Bridge  
We fight, this fight of faith  
We lift our hands and pray,  
We stand as we overcome,  
Through Jesus Christ.

Chant
