

# A Song For You

## Damien

I've been so many places  
In my life and time  
I've sung a lot of songs  
I've made some bad rhymesI've acted out my life on stages  
With 10,000 people watching  
But we're alone now  
And I'm singing this song to youI know your image of me  
Is what I hoped to be  
I treated you unkindly  
But darling, can't you see?There's no one more important to me  
Baby, can't you see through me?  
'Cause we're alone now  
And I'm singing this song to youYou taught me precious secrets  
Of a true love while holding nothing  
You came out in front when I was hiding  
But now I'm so much betterAnd if my words don't come together  
Listen to the melody  
'Cuz my love is in there hiding  
I love you in a placeWhere there's no space or time  
I love you for my life  
'Cuz you' re a friend of mine  
And when my life is overRemember when we were together  
We were alone  
And I was singing this song to you  
I love you in a placeWhere there's no space or time  
I love you for my life  
'Cuz you' re a friend of mine  
And when my life is overRemember when we were together  
We were alone  
And I was singing this song to you  
We were aloneAnd I was singing this song to you  
We were alone  
And I was singing this song  
Singing this song to you
