Heart and Soul

Frank Loesser

Heart and soul, I fell in love with you
Heart and soul, the way a fool would do, madly
Because you held me tight
And stole a kiss in the nightHeart and soul, I begged to be adored
Lost control, and tumbled overboard, gladly
That magic night we kissed
There in the moon mistOh but your lips were thrilling, much too thrilling
Never before were mine so strangely willingBut now I see, what one embrace can do
Look at me, it's got me loving you madly
That little kiss you stole
Held all my heart and soulOh but your lips were thrilling, much too thrilling
Never before were mine so strangely willingBut now I see, what one embrace can do
Look at me, it's got me loving you madly
That little kiss you stole
Held all my heart and soul
Ooh, heart and soul
