

1000 Times

[Chuck Curry](#)

I wish to see you smile again
to hear you laugh and hold you in my arms again
1000 Times
1000 Times I wish to be in love again
that we could wake our dreams and finally be together again
1000 Times
1000 Times I wish to be like yesterday
to hear the words you used to say
another moment
won't you stay
forever I wish to be in love again
to be inside you and beside you all night long again
1000 Times
1000 Times
