So Pretty

IllGill

[Patrick:](Oh)
I know what ya want and I know exacly what ya need 'cause I (See)
In everything you need I promise you will find in me
(Oh Bangin`)
Bad as you wanna be
I sweat the girl has got to leave with me 'cause
(We)
Can get into somethin`
And I know ya likin` what ya want
[Pre Chorus:](Ohhh Wa)
We can be (Dangerous)
'cause every little thing would be
(About us)
And I know you were feelin it 'cause
(I was)
And i felt what you were thinkin`
(Ohhh Wa)
tell ya man to (Give it up)
'cause he ain`t even close to bein`
(as close as us)
I`m tellin` you he couldn`t even
(handle us)
So feel me baby girl 'cause I do
[Chorus:](I know)
So pretty girl
So pretty girl
So pretty I need you in my world
So pretty
And you know that ya really need to be with me

You know I know
(I know)
So pretty girl
So pretty girl
So pretty I need you in my world
So pretty
And you know that ya really need to be with me
[Patrick:](Oh)
I see you lookin at me walkin` over here to kick it with

(Me)
See I knew that would happen
'cause you know that I get`s to crackin` and
[Bryan:]See i dont know what ya gonna do
[Patrick:]But I do know that I`m really feelin` you
girl
(We)
[Bryan:]I know that your not happening so
(leave)
[Patrick:]I promise I'll have you sayin'
[Pre-Chorus][Chorus] X5
