One Way to Go

Cass McCombs

Youve got to lift yourself up so high
You cant see the ground
You dont hear a sound
Youve got to move it up so slow
You see it all
Youll probably fallId rather die than see you fly
Than see you try
Id rather die than see you fly
Than see you tryIt's like pushing locked doors to get in your mind
I don't care what I find
It's like pushing locked doors to get in your mind
I don't know what I'll findYou've got to move me up
So high it hurts
So high it burns
But if you let me down
Don't bother to call
Just let me fallI'd rather die than see you fly
Than see you try
I'd rather die than see you fly
Than see you tryIt's like pushing locked doors to get in your mind
I don't know what I'll find
It's like pushing locked doors to get in that mind
I don't care what I findIt's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked doors to get in that mind
I don't care what I findIt's like pushing locked doors to get in that mind
I don't care what I find
It's like pushing locked to get in that mind
I don't care what I findIt's like pushing locked doors to get in that mind
I don't care what I findIt's only one
One way to go
One way to go
One way to go
One way to go
