One Way to Go

Cass McCombs

Youve got to lift yourself up so high
You cant see the ground
You dont hear a sound
Youve got to move it up so slow

You see it all

Youll probably fallId rather die than see you fly

Than see you try

Id rather die than see you fly

Than see you tryIt's like pushing locked doors to get in your mind

I don't care what I find

It's like pushing locked doors to get in your mind I don't know what I'll findYou've got to move me up

So high it hurts

So high it burns

But if you let me down

Don't bother to call

Just let me fallI'd rather die than see you fly

Than see you try

I'd rather die than see you fly

Than see you tryIt's like pushing locked doors to get in your mind

I don't know what I'll find

It's like pushing locked doors to get in that mind

I don't care what I findIt's like pushing locked doors to get in that mind

I don't care what I find

It's like pushing locked doors to get in that mind

I don't care what I findIt's like pushing locked doors to get in that mind

I don't care what I find

It's like pushing locked to get in that mind

I don't care what I findIt's like pushing locked doors to get in that mind

I don't care what I findIt's only one

One way to go

One way to go

One way to go

One way to go
