

# North Dakota

## Kris Delmhorst

I love North Dakota  
'Cause you have never been there  
And the days go on forever  
And the towns all look the same And I can ride the back roads  
And I can walk the main streets  
And show someone your picture  
But they would not know your name This city is so gloomy  
I could stay in bed for hours  
Maybe that's why I'm still lying here  
Asking you for more 'Cause this never would've happened  
If you hadn't touched my elbow  
In that steamy crowded car  
Heading down the western shore And you take me to pieces  
Your eye sees my favorite me  
And I don't know your word for it  
But you know what I mean 'Cause there's nothing I like better  
Than to watch you flirting with the waitress  
And that's the most inspiring thing  
That I have ever seen And there's times that you fight it  
It's just the way I like it  
And I wonder what I'm choosing  
I wonder what I'm losing 'Cause at four o'clock this morning  
You told me the story  
Of a friend who couldn't stomach  
All the love that came from you And oh the straight up  
Deep hurt of you  
And I don't think that I can handle  
Anything that true And that's why I am leaving  
And that's why I won't call you  
I am getting in the taxi  
Headed for the plane But I still can feel you breathing  
Still can hear your fingers play  
Still can see you  
Standing in the window pane And I'm watching your goodbye  
And I'm trying to cry  
Guess I'm not built for this load  
Guess it's back to the road So now Delaware is tollbooths  
Virginia is twilight  
And Michigan's beef jerky

In a small boy's hand And Arkansas' a skinny cop  
Oregon is purple hands  
And Flagstaff Arizona  
Is delirium at night And I love North Dakota  
'Cause you have never been there  
And the days go on for hours  
And the buffalo rowing And I can ride the back roads  
I can walk the main streets  
And no I never ask me  
When I'm coming home And I love North Dakota  
'Cause you have never been there  
And the days go on forever  
And the towns all look the same And I can ride the back roads  
I can walk the main streets  
I could show everyone your picture  
But they would not know your name I love, I love, I love  
I love, I love, I love  
North Dakota  
North Dakota, yeah
