

# Life As We Know It

Chris Bachelor & Steve Buckley

This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life yeaah  
4 in the back  
We're pulling up in the yard  
Out in the streets somebody's  
Looking out for cop cars  
Girls on the roof say 'Hey we're stepping inside'  
It looks like a scene out of American Pie  
Now we're locked in the bathroom  
Just me and Danielle  
Running the showers  
So we can't hear 'em yell  
Out at the pool  
There's lawn chairs in the water  
Did you see Ronnie try to kiss Bruce Willis's daughter?  
Somebody pulled his pants down...  
This is Life As We Know It  
Feeling high, Never growing up  
We party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
This is Life As We Know It  
We can die, when we're older baby  
Party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life  
So yeah we're cranking the anthem  
Is Guns and Roses and Queen  
Living it up  
Baby we're living the dream  
Some dude is running around naked  
We're Laughing Out Loud  
There's no where else  
I'd rather be but here and now

So come on  
Shout it out loud  
This is Life As We Know It  
Feeling high, Never growing up  
We party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
This is Life As We Know It  
We can die, when we're older baby  
Party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
When the sun comes up tomorrow  
We won't regret everything  
We don't got no rules to follow  
We can do it all over again  
(Do it all over again)  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life  
This is Life As We Know It  
Feeling high, Never growing up  
We party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
This is Life As We Know It  
We can die, when we're older baby  
Party all night, feeling alright yeah  
Party all night lemme hear you say Yeah  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life  
This is life, life, life  
This is the life, life, life
