

# Ruby Tuesday

## The Rolling Stones

She would never say where she came from  
Yesterday don't matter if it's gone  
While the sun is bright  
Or in the darkest night  
No one knows  
She comes and goes

Goodbye, Ruby Tuesday  
Who could hang a name on you?  
When you change with every new day  
Still I'm gonna miss you...

Don't question why she needs to be so free  
She'll tell you it's the only way to be  
She just can't be chained  
To a life where nothing's gained  
And nothing's lost  
At such a cost

There's no time to lose, I heard her say  
Catch your dreams before they slip away  
Dying all the time  
Lose your dreams  
And you will lose your mind.  
Ain't life unkind?

Goodbye, Ruby Tuesday  
Who could hang a name on you?  
When you change with every new day  
Still I'm gonna miss you...
