Kappa pussy bot with an afro
Kappa yeah she copy but she not afro
I don't not from Canada but shout out to my woe
Call the Stacey feeling like a motherfucking toe
Give me ur book
Pull up a dog with no shoe
Skrrr skrrr

We jeer we don't give no fuck
Shout out to cocks
We don't give a fuck bout the news
We pull op like she like the shoes
Feel the spot up like I want
Spend a hunnid bands on a lil don
I know that 20 bands on a lil don
A hunnid racks in my hoodiepackage just like a patron
Fuck da bitch all she needs is a ammo
She be like baby u gotta leave molly alone
And I promise I would never pull op my son
And it's a shame that hes only 2 years
