## Julee Cruise

I'm swallowing  
Swallowing you whole  
You wholeHahhhh .... hahhhh .... hahhhh .... hahhhh ....Love's wondering ...  
Wonder why so  
Why soHahhhh .... hahhhh .... hahhhh .... hahhhh ....I'm breathing  
Breathing here deeply into me  
Into meLove's the strangest thing  
It makes you heal  
It makes you whole when it goesIf it goes ...  
If it goes ...  
If it goes ...  
If it goes ...  
If it goes ...
