Private Eyes

The Cool Cats

I see you, you see me
Watch you blowing the lines when you're making a scene
Oh girl, you've got to know what my head overlooks
The senses will show to my heart
When it's watching for lies and you can't escape my
Private eyes, they're watching you
They see your every move
Private eyes, they're watching you
Private eyes, they're watching you
Watching you, watching you, watching you
You play with words, you play with love
You can twist it around, baby, that ain't enough
'Cause girl, I'm gonna know
If you're letting me in or letting me go, don't lie
When you're hurting inside 'cause you can't escape my
Private eyes, they're watching you
They see your every move
Private eyes, they're watching you
Private eyes, they're watching you
Watching you, watching you, watching you
Ooh, why you try to put up a front for me?
I'm a spy but I'm on your side, you see
Slip on into any disguise
I'll still know you look into my
Private eyes, they're watching you
They see your every move, oh babe
Private eyes, they're watching you
Private eyes, they're watching you
Private eyes, they're watching you, yeah
They see your every move, they see you
Private eyes, they're watching you, oh
Private eyes, they're watching you
Private eyes, they're watching you, yeah
They see your every move, they see you
Private eyes, they're watching you
