

# I'm Lonely

[Darondo](#)

Four o'clock in the morning baby,  
and I'm all alone  
Waiting on a telephone call baby,  
I wanna moan  
I know I can't call no doctor  
Doctor can't cure my ills  
I need you baby  
To cure my ill  
I'm lonely  
I'm lonely baby  
I'm lonely  
I need your love baby  
I wanna call you up but I  
everytime I call your brother answer  
the phone  
and he say what in the hell do you want D  
won't you leave my sister alone  
Alright I been trying to get in contact with you baby  
but I (incomprehensible) and my gas is low,  
but I wanna keep on trying baby  
till I just can't try no more, and I'm lonely baby oh baby I'm lonely I need your love  
Baby you wanna hurt me so bad  
You love me baby  
But I kept on keeping on cos I'm a strong man baby
