Trip Around The Sun

Jimmy Buffett

Here I'm singin' happy birthday, better think about the the wish I make
This year gone by ain't been a piece of cake
Everyday's a revolution, pull it together and it comes undone
Just one more candle and a trip around the sun
I'm just hangin' on while this old world keeps spinnin'
And it's good to know it's out of my control
If there's one thing that I've learned from all this livin'
Is that it wouldn't change a thing if I let go
No, you never see it comin', always wind up wonderin' where it went
Only time will tell if it was time well spent
It's another revelation, celebrating what I should have done
With these souvenirs of my trip around the sun
I'm just hangin' on while this old world keeps spinnin'
And it's good to know it's out of my control
If there's one thing that I've learned from all this livin'
Is that it wouldn't change a thing if I let go
Yes, I'll make a resolution
That I'll never make another one
Just enjoy this ride on my trip around the sun
Just enjoy this ride till it's done
