First Day

Timo Maas

I see you found my underground
Help yourself to guns and ammo
Nothing here has ever seen the light of day
I leave it in my head

[Repeat: x4]
It's the first day of the rest of your life

You'll remember me, for the rest of your life
You'll remember me, for the rest of your life

[Repeat: x4]
It's the first day of the rest of your life

[Repeat: x4]
It's the first day of the rest of your life

Don't fuck it up
Don't fuck it up

You'll remember me, for the rest of your life
You'll remember me, for the rest of your life

[Repeat: x12]
It's the first day of the rest of your life
